THE COMMODORE'S COLUMN

By Commodore Brad Houghton

June Events: Finally, warm weather is here and the sailing season is in full swing. This month CCMA members can cruise to beautiful Wilson Creek on Mobjack Bay for the June 16 land-sea rendezvous hosted by Pat and Bob Englert. In addition, we will be having a land-sea rendezvous on Lake Ogleton on June 23 at Jere and Doris Glover's house and dock. You may wish to sail or drive to either or both of these events.

If you have never been to a CCMA rendezvous, you will find them to be very pleasurable experiences. They combine many of my favorite activities – sailing, punctuated by meeting, greeting, and eating!

Web Page: You may have heard that last year, CCMA found a web provider who would build and maintain a web page for the CCMA for free. After a year went by, we realized that we had gotten our money's worth, we still had no web page, and the company had changed hands and would provide us with that service for only \$500 a month. This seemed like a sensible time to bail out!

So your Commodore, being a resourceful type, convinced the CCMA Secretary that she should have a go at the CCMA web page on her day off, and presto, we have a first draft, so far, of three pages at: <http://web2.instantname.com/ccma/>. This is not a

finished product, but a beginning. This site will only give us six pages total for free (10K), so we will also be discussing other options at the next board meeting if we want to put up graphics and photos as well. More news about this will be available next month.

So happy sailing and we hope to meet, greet, and eat with you at a June event!

Quote of the Month

When

When western winds are blowing soft
 Across the Island Sound;
 When every sail that draws aloft
 Is swollen true and round;
 When yellow shores along the lee
 Slope upward to the sky;
 When opal bright the land and sea
 In changeful contact lie;
 When idle yachts at anchor swim
 Above a phantom shape;
 When spires of canvas dot the rim
 Which curves from cape to cape;
 When sea-weed strewn the ebbing tide
 Pours eastward to the main;
 When clumsy coasters side by side
 Tack in and out again—
 When such a day is mine to live,
 What has the world beyond to give?

2001 Racing

Letter to the Racers 6/6/01

We had our first racing weekend of the season, visiting St. Michaels. The rainy forecast for the Memorial Weekend limited the number of participants in our class to three boats. We had nice winds on both Saturday and Sunday for a comfortable trip to the Eastern Bay. The result is listed below. I will try to write my Racing Report hopefully for the next Newsletter (I am a bit busy and slow this year. Sorry folks.)

The next race, PSA Overnight (6/16/01) is approaching, followed by the Northern Bay Race Week (6/30/01-7/1/11). These races would be nice practice opportunities for the long night races to come later in the summer or for finding and rounding marks on short courses. All of our races are intended to be fun events and opportunities to horn our sailing skills together with friends. We need as many of you as possible to come out to make each event even more enjoyable for everyone. Hope to see you all on the water.

By the way, the PSA Overnight Race is the first race of the season to be scored for our "PAST COMMODORES' LONG DISTANCE TROPHY". Other races that will be scored for this award this year are Solomon's Island Invitational, Governor's Cup, Cedar Point Race, Race to Oxford, and Hammond Memorial Race.

SUMMER CRUISING

Saturday – June 16, 2001

Lower Bay Land–Sea Rendezvous

This annual event is hosted by Pat and Bob Englert and held on Wilson Creek off the Ware River. The event grows every year and the hospitality of Pat and Bob (not to mention their accommodations!) is well worth the trip.

The Englert’s generous dock is available to tie-up/raft or dingy ashore to. The large CCMA burgee will be displayed for all to find. The social hour starts around 3:00 p.m. with dinner around 5:30 p.m.

This is a potluck supper, so please bring a main dish, MAJOR salad, or SERIOUS dessert (enough to serve 6-8). Bring whatever beverage you prefer. Cups, plates and eating utensils will be provided.

For those of you unfamiliar with the Wilson Creek area (landlubber side), it’s off Route #17 in Gloucester County, VA. It is about an hour north of Norfolk, VA; 2 hours south of Fredericksburg, VA; and about 3 hours from Annapolis, MD. There are several small, locally owned motels nearby for those who would like to stay over from out-of-town. The following map and directions can be used for the land route:

From Route #17, turn east at the traffic light onto a short lane for 1.4 miles. Turn left onto T.C. Walker Road for .8 miles. Turn right onto Zanoni Road for 1.6 miles. Turn right onto Whitehall Road for 1.5 miles. Turn left onto driveway marked “**Woodland Point**”.

The following are water route directions:

From Mobjack Bay, go upstream on the Ware River and locate Qk.FI.RED #6 (southwest of Jarvis Point). On a heading approximately 290° from Qk.FI.RED #6, go toward a tall 3-story white house on shore. Go almost to the dock of the white house, watching for a private daymarker into Wilson Creek on your left. Honor the private daymarker and, turning into Wilson Creek, honor the other two daymarkers. The Englert’s dock is on the right side about ¼ mile past the last daymarker.

Please note that if you’re sailing in and are unfamiliar with the Mobjack Bay area, there are no nearby marina facilities for food, ice, fuel, trash removal or holding tank pumpout stations.

Nat Harrison, (703) 256-9461, has been arranging this event for the last 10 years and would be more than happy to answer any questions or give further directions.

Saturday - June 23, 2001

The Annapolis Land/Sea Rendezvous will be held at the home of Jere and Doris Glover on Saturday, June 23, 2001. The address is: **1005 York Lane, Annapolis, MD on Lake Ogleton at the mouth of the Severn River.** The event will start at 2 p.m. The Glovers invite CCMA members to use their dock or anchor out and dinghy in. Please bring a main dish, dessert, or salad (enough for six) and your choice of beverages. The Glovers will provide ham and chicken. Please call the Glovers with any questions at **410-268-2872.**

Directions by land:

From Route 50 take Exit 22, Aris Allen Blvd. (Do not exit on Riva Road!!!). Aris Allen connects with Forest Drive. Proceed east on Forest Drive approximately three miles. Go past the Giant Shopping Center (Bay Forest Plaza) on your left. Take the second left after the shopping center onto

Carrollton Road. Go past the golf course, and take the first right after the golf course onto Ogleton. Take a left at the third street, York Lane. The Glovers is the first house on the left, 1005 York Lane.

Directions by water:

The first inlet on the south shore at the mouth of the Severn River is Lake Ogleton. After following the markers into the lake, make a right and proceed west about 1/2 mile. The Glover's Gemini will be at their pier on the right. **WE LOOK FORWARD TO SEEING YOU ON JUNE 23!**

MEMBERSHIP MATTERS

Last Chance!!

There are still a handful of members whose dues have not been received. Your address label will tell you if your 2001 dues have been received or not. If

the top line on your address label is highlighted, your 2001 dues were NOT received at the time of printing. We hope you will continue your association with CCMA and your prompt payment would be most appreciated.

Please mail your check to the address on the back page along with the form for either your renewal or new membership to keep our records current. Please also note that the CCMA dues for 2001 have increased to \$25, and \$20 for distant members. In addition, the racing fee has been increased to \$20 to cover the increasing cost of trophies.

Please join me in welcoming new members, **Howard Lieberman** and **Linda Kass** of Potomac, VA. Howard and Linda sail a new Seawind 1000 called "*ite OA OA*"; I'm sure I am not alone in being curious about the name! They keep their boat in Herrington Harbor North.
