VOLUME XXX NUMBER 7

December 2006

## Commodore's Report

Dave Way

The 2006 CMA's sailing season has been a great year in the meeting the CMA objectives. We had increase participation at the various cruising events.

A big "Thank You" goes to the host holding the activities: Bob Englert for the Lower Bay event; Robert Gamble for Upper Bay event, and Phill and Cindy Wadsworth holding the September Land-sea Rendezvous. I also thank my wife Ruth for the 4th of July activities.

The 2006 CMA racing program/season was great. We have had an increase number of racers and boats. The overall results indicate these years' activities were the closest competition of many years of CBYRA participation. Please congratulate to all the CMA fleet (Captains, Crews, and Support Crews). It is the combine effort of all CMA members that shows the CMA and fleet racers are a strong class in the CBYRA.

We had an excellent turn-out at the CMA's Boat Show Dinner held at the "Rock Fish" on Sunday, Oct 9<sup>th</sup>.

CMA is holding the Annual Holiday Dinner at the "Rock Fish" on Saturday, December 9, at 5:00 PM. This meeting includes the Annual Elections. Following the meeting, join members to watch the Holiday Boat Lights parade.

Again, I want to thank all of you for supporting CMA and its activities, making CMA one of the best sailing organizations on the Bay. Please give your support to CMA in the upcoming 2007 sailing season.

## *Quote of the Month*

*"It depends on acceptance. I could argue that a canting-keel monohull is a very inefficient multihull. Imagine canting a keel to leeward and instead of ballast you have air. You would achieve the same increase in righting moment in a lighter solution, and in fact you get a multihull. Our sailing community is divided, and choices are made on style or fashion; otherwise we'd all be sailing multihulls"*

- Volvo Ocean Race ABN One designer Juan Kouyoumdjian in September Sail magazine.
